introduction

Dear valued client

We are pleased to introduce our company **Olipam Investments** t/a **Olipam Rock Chemicals Private Limited** as a supplier of agricultural lime, livestock lime and hydrated lime, as we seek to offer the best products.

We have over 10 years of experience as miners of calcite and dolomite and producers of lime. Our stock feed lime, hydrated lime, agricultural lime, chicken grit and "flour". We also provide calcite and dolomite for other lime and related products millers. Olipam Rock Chemicals always prioritize Safety and Quality.

We look forward to have a good long lasting relationship with your organization.

Yours Faithfully

Pamela Chitovoro (Ms)

For and on behalf of Olipam Rock Chemicals

"we believe in and promote Quality Delivery"

WHO IS OLIPAM ROCK CHEMICALS?

Olipam Rock Chemicals is a Zimbabwean Incorporated company and locally owned. The company offers agricultural lime, livestock lime and hydrated lime from produced from calcite and dolomite. Olipam Rock Chemicals is dedicated to organizations or individuals seeking calcite and dolomite produced lime for the agriculture and cement production sector.

We provide products to parastatals, public works agencies, municipalities, and commercial agro processors, cement production companies and individuals. Our area of expertise includes but not limited to mining technology, calcite and dolomite processing, lime production and distribution.

We are committed to providing the best possible lime to ensure cost effective and quality end products. We work closely with our clients to accurately interpret their dreams/visions in lime specifications and bring them to the desired reality through quality lime solutions to meet their specific needs;

We communicate with our clients throughout the production and distribution process to keep them informed of progress and to ensure that our production and delivery are kept on schedule, within budget and intended quality.

VISION

A regional market leader in the mining of calcite and dolomite, production, supply and distribution of lime for both agriculture and manufacturing industry.
